Emissions are too high. Have necessary repairs performed at a licensed Smog Check inspection station. If the vehicle continues to fail emissions, and the repair cost minimum has been spent, you may return to the referee with an invoice indicating what repairs were performed and an estimate indicating further repairs needed.

After repairs, your vehicle can be tested by any Smog Check station.

NOTE TO SMOG CHECK STATIONS: Do not issue a Certificate of Compliance. Refer consumer back to the referee.

If unable to locate required parts, call Parts Locator: 800-622-7733.
